## Federal State Garden Show in Beelitz

Whether live cooking events in the park, a passenger boat turned into a cocktail bar, or a barbeque in the “Archegärten”, there will be as many food and drink highlights as floral ones. More than 1.2 million spring flowers, ablaze with colour, will welcome the first visitors to the show. They will be followed by tens of thousands of perennials that bloom magnificently all summer. Shrubs and trees will round off the displays. On the main stage, star entertainers will captivate their audiences. As well as evening concerts, on Sundays there will be the “summer garden” programme of entertainment. Close by there will be a water biotope with a fountain, which will jet water several metres above the park. Alternating flower shows in the parish church,

exhibitions by local artists, a Slavic village with a green classroom, as well as an asparagus and a flour mill museum will be other highlights. One of the largest playgrounds in Brandenburg and a fairy-tale landscape will ensure that a visit to the State Garden Show in Beelitz is the perfect day out for visitors of all ages.
